

## **REMARKS**

In response to the above Office Action, claim 11 has been amended to depend from claim 1. Applicants appreciate the Examiner pointing out this error in the claims.

In addition, enclosed is a Terminal Disclaimer disclaiming the terminal part of the term of any patent granted on this application that would extend beyond the expiration date of U.S. Patent No. 6,887,957 to avoid the obviousness-type double patenting rejection set forth on page 3 of the Action.

It is believed claims 1-9 and 11-13 are in condition for allowance.

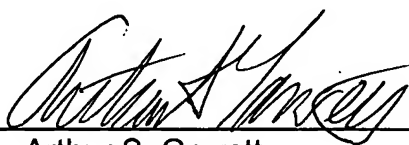

In view of the foregoing amendments and remarks, Applicants respectfully request reconsideration and reexamination of this application and the timely allowance of the pending claims.

Please grant any extensions of time required to enter this response and charge any additional required fees to our deposit account 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
